

SPS Minutes: 10/11/18

- No WIP meeting next week; SPS meeting in 3 weeks (keep an eye for the email)
- Fees due (Give it to Kevin Barrow, our Treasurer)
- Phamily update

You can still sign up to be a big or little. We, however, will not be able to do something as big as we did in the last meeting.

- Physics Colloquia Coordination Committee(PC³)

We sent signup sheet; if you are interested please let us know ASAP

This committee is responsible for the colloquium. You guys will be working with Dr. Edis on this.

- Physics Hangman

The word was Cross Product. Riley did the demo on Magnet TV
