

9/12 Meeting Minutes

- Physics Joke: Why are electricians bad at history?
 - Because they're all about the current
- Redid the committee sign-up because the last one did not get to everyone
- Phys news of the week
 - A heat engine made of a single ion spin
- Big/little sign-up
 - They are due 9/21
 - The reveal will be at the next meeting 9/26
- 10/3 meeting
 - All physics meeting
 - Registration prep
- Dues
 - They are \$5 a semester or \$10 for the year
 - Due next meeting, 9/26
- SPS Chapter Membership
 - Dues are \$0!!
 - The department is paying for us
 - Benefits include:
 - Scholarships
 - Internships
 - Career resources, and more
 - All you have to do is fill out Puji's spreadsheet
- Women in Physics Updates
 - Private Observatory Open House w/ Stargazers
 - Friday Sept. 27 @ 8pm
 - Science on Saturday, Oct. 26
 - Two sessions:
 - 9-11:30 is 2nd & 3rd graders
 - 1-4 is 4th & 5th graders
 - Sign-up sheet will go around
 - Women in Entrepreneurship
 - Oct. 22 in VH 1000 at 6:30pm
 - See Puji for more info!
- PhysCon
 - Nov. 14-16 in Providence, RI
 - Lots of fun things and education things
 - Please fill out the email sent to you by me
- Game
 - Name that physicist Kahoot!

- Physics Hangman and Demo
 - Conservation of Angular Momentum!
- Elections
 - Max Venker is our new Demo chair!
 - Riley Dawkins is our new Faculty Spy
- Physics Question
 - We are doing a new thing where we have a physics question to be answered before the next meeting
 - Person who gets it right will get a prize
 - The question will be posted on our social medias and the website
 - You can dm or email me your answer
